To the Participants and Administrator of
the TechnipFMC Retirement Savings Plan

/ [REDACTED]

We have audited the Statements of Net Assets Available for Benefits of the TechnipFMC Retirement Savings Plan (the Plan) as of December 31, 2018 and 2017, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2018 and 2017, and the changes in net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

The following description of the TechnipFMC Retirement Savings Plan (the "Plan") provides general information. Refer to the Plan agreement, as amended, for a complete description of the Plan's provisions.

)

C

The Plan is a qualified salary-reduction plan under Section 401(k) of the Internal Revenue Code of 1986, as amended (the "Code"), and is available to all eligible U.S. employees of TechnipFMC plc ("TechnipFMC" or the "Company") who meet certain eligibility requirements. Such employees are eligible to participate in the Plan immediately upon commencement of their employment with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan is administered by the FMC Technologies, Inc. Employee Benefits Committee ("EBC"), acting on behalf of the Company as the Plan administrator.

On January 20, 2016, Technip S.A. ("Technip") and FMC Technologies, Inc. ("FMC Technologies") entered into a business combination agreement, as amended, in order to effect a strategic combination of their businesses through the following mergers:

- (a) the merger of Technip with and into the Company, in a cross-border merger by absorption, within the meaning of the Directive 2005/56/EC of the European Parliament and the Council of 26 October 2005 on cross-border mergers of limited liability companies, as amended, with the Company as the surviving entity

)

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan ("full termination") subject to the provisions of the Plan and ERISA but has not expressed any intent to do so. In the event of full termination or termination with respect to a group or class of participants ("partial termination"), the unvested portion of Company contributions for participants subject to such full termination or partial termination will become fully vested.

) **A**

A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, the Company's contributions and allocations of Plan earnings or losses and certain administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.
